Washington, DC

<http://mnishiguchi.com> | (202)-509-1887 | [nishiguchi.masa@gmail.com](mailto:nishiguchi.masa@gmail.com)

I am a full-stack web developer who is passionate about building maintainable dynamic web applications. I utilize a unique mix of experiences such as working as an industrial sales engineer to be a resourceful developer. I am a careful planner and carry out every task steadily and persistently until it is resolved according to the requirements. I enjoy exploring new technologies with curiosity, and welcome new challenges.

---

## TECHNICAL SKILLS

Ruby, Rails, RSpec, JavaScript, jQuery, React, Angular, PHP, WordPress, Java, Android, Python, C++, Git

## EXPERIENCE

### Full Stack Web Developer (apartmentshowcase.com)

Greater Washington Publishing September 2016–present
